Assisted Living

Floor Plans & Amenities

Valley VNA's apartments, studios and suites are designed to give you comfort and convenience.

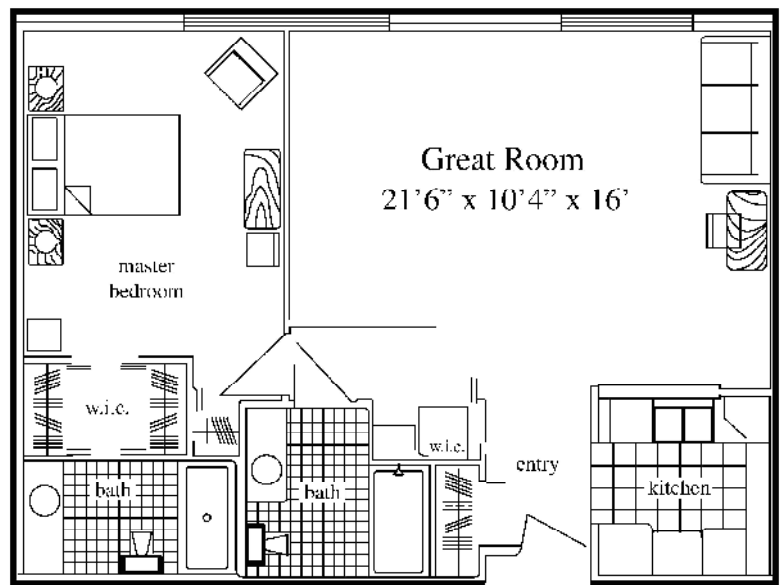

APARTMENTS

Valley VNA's one or two bedroom apartments (Alex) provide 855 sq. feet of living space - and include all kitchen appliances: refrigerator, dishwasher, electric stove and garbage disposal.

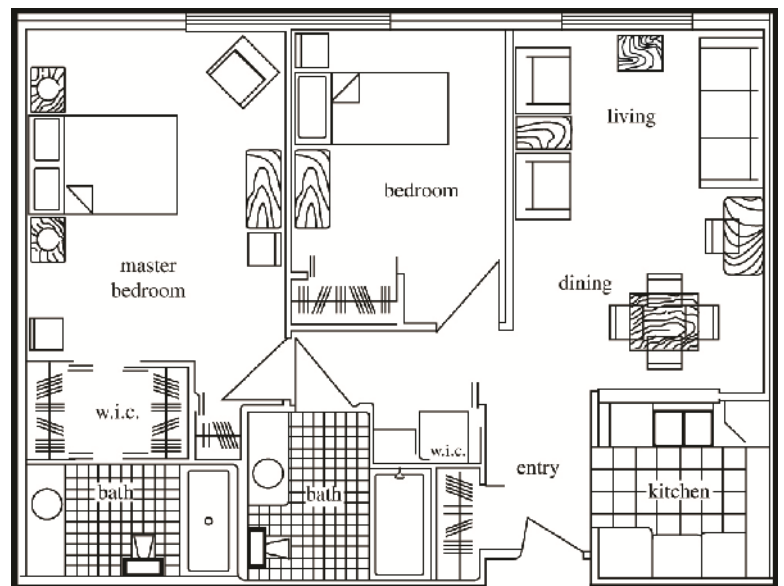

Valley VNA's building is fully equipped with an elevator and an after-hours locked entrance with intercoms. There are indoor mailboxes, laundry rooms on each floor, library, exercise room and community room with a variety of activities.

All utilities and cable television are included (excludes telephone). Each apartment has room for a stackable washer and dryer and large, 4' x 6' storage unit.

You'll also have access to additional amenities such as, beauty/barber and massage services, an emergency response call system, garage rental, transportation, homemaker services,

1-BEDROOM

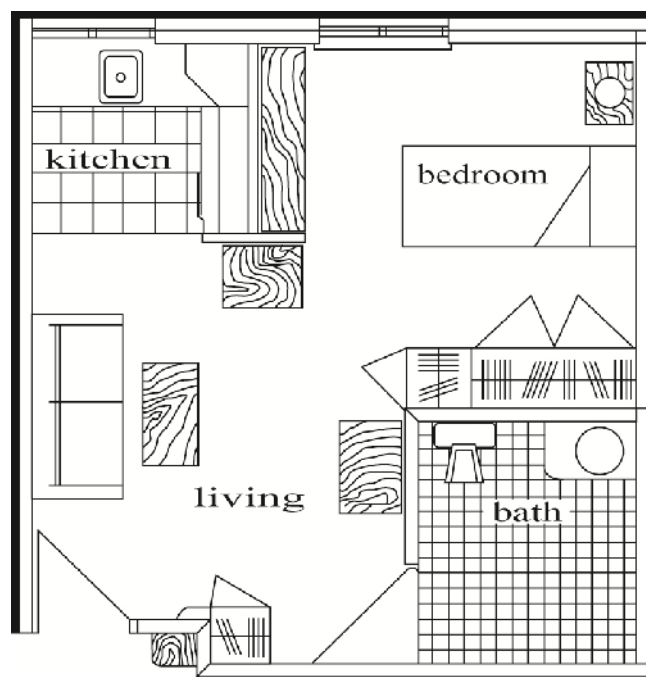

2-BEDROOM

STUDIO APARTMENTS & SUITES

Valley VNA's assisted living features a comfortable, home-like atmosphere with beautifully maintained grounds, a therapeutic garden and the peace of mind knowing care is accessible from our trained staff 24 hours a day. All utilities are included except telephone. Each court has community areas with sitting rooms, fireplaces, sunrooms and TV lounge. Recreational and social activities are provided based upon an individual's interests and abilities. Daily homemaker services, meals and weekly linen services are also provided. You'll also have access to additional amenities such as electric, adjustable beds, whirlpool baths, beauty/barber and massage services, an emergency response call system, transportation, and more.

STUDIO APARTMENTS (Sapphire Villa) feature a living and bedroom area, kitchenette, private bathroom with walk-in shower and built-in closets with drawers and shelves.

Our **SUITES** (Coral, Amber & Emerald Courts) provide a comfortable setting for those experiencing the effects of memory loss through Alzheimer's and other dementias. These spacious suites include a private bathroom with walk-in shower, sitting area and built-in closet.
