

Annual Picnic

The annual picnic is coming up fast - June 15th (rain date June 16). Make sure to RSVP (727-5544) if you are able to come join us. Our picnic includes a great bake sale to benefit the Alzheimer's Association. Hope to see you there!

Staff Change

Please join me in welcoming Cheryl Ehlers into her new role as Supervisor of Assisted Living and Alexandrite Apartments. Many of you may remember Cheryl as a Shift Manager for the assisted living. For the past year she has led Education and Training efforts for our new and current employees. Cheryl's new responsibilities include supervision of staff and daily operations of the CBRF and Apartments to insure we are meeting the needs of our residents and families. Cheryl has a passion and commitment to Valley VNA and seniors since first arriving in 2003.

Valley VNA is Clinical Training Site!

In September 2010, Valley VNA partnered with Fox Valley Technical College as a clinical training site for the Occupational Therapy program. This program benefits both FVTC and Valley VNA as we provide the opportunity for OT students to apply the skills they are learning and our residents enjoy the enthusiasm and creative ideas of the students. During the semester the students come once per week for eight weeks. Some of the activities have included: a Luau, trip to the Timber Rattlers stadium and the Gardens of Fox Cities. We are proud that FVTC has chosen Valley VNA as a clinical experience for their students.

Valley VNA Gives Back

One of our "Giving Back to the Community" initiatives is to support the efforts of the American Red Cross through several blood drives this year. Our first drive was held March 21st and we had 33 donors. Our next drive is July 14th and we hope to double the number! In the wake of all the storms, there are many individuals across the country who are benefitting from the tireless efforts of the Red Cross. In addition, in the event of a significant disaster, the Red Cross would be an immediate resource for Valley VNA. Please consider being a donor!

Spring Fling

The second Annual Spring Fling was another wonderful success! There was fun with friends and great music provided by the "Little Big Band". Some who attended experienced tired feet the next day from all the dancing.

Benefits for Veterans

On May 18th a representative for the Winnebago County Dept of Veterans Services presented information of possible benefits for veterans or spouses of veterans. Those who attended left with valuable information. If you were unable to attend, you can contact either the Oshkosh office at 236-4898 or Neenah office 729-4820.
