

13TH ANNUAL PICNIC

For the second year in a row we were thankful to have planned a rain date for our annual picnic! Thursday, the weather was beautiful, the music good and the food great. Special thanks to the cooks - Julia, Derlinda and Kelly for putting together a wonderful picnic dinner. Over 400 residents, family, and friends joined us for a fun, relaxing time together.

CARE GIVER APPRECIATION

Our care givers are the face and strength of Valley VNA. During the week of June 20th we took some time to pay special recognition and say thank you!

Thank You!

LIFE ENRICHMENT ACTIVITIES

We had a great time during a recent visit from the city of Neenah's "Kids for Community". During this time residents and youth made fruit kabobs, flower bouquets, played Wii games and bingo.

CHRISTMAS IN JULY - July 25 through the 29th

Thanks to Carrie E., our Therapeutic Recreational Specialist, we will be having activities with a Christmas theme during this week. Can we be longing for cooler weather already? These activities will be focused in Amber, Coral and Emerald Courts.

MEMORIES IN THE MAKING

This is an art program developed by the Alzheimer Association with the intent of providing a creative process for expressing feelings and emotions trapped inside of those with dementia. In time, our goal is to exhibit the work here at Valley VNA.
