

## Annual Resident Picnic July 14th, 5-7pm!

From the RSVP's we have received, there looks to be a good attendance for this year's picnic. There will be great food and fun for all who attend. We'll be sure to share some of the photos in the August **In-Touch**. We're all hoping for great weather and look forward to seeing you there!

## Family Care is here as of July 1, 2010!

It is official - we have signed an initial six month contract with Lakeland Care District (LCD) to continue to provide services for residents requiring financial assistance. So what does this mean? If you were not on the County Option Program (COP) before July 1, 2010 there is no impact to you. If you transitioned from COP to LDC, you should have received information and/or will be contacted by a case manager soon. While we don't anticipate any major changes in how services are provided, there will be a learning process for us all over the next several months. Please don't hesitate to ask questions as we move forward.

## Valley VNA Video

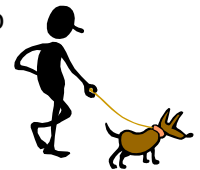

The video that was shot in April is now available to view. You can find it on the main page of our website - [www.valleyvna.org](http://www.valleyvna.org) or on the City of Neenah's website - [www.ci.neenah.wi.us](http://www.ci.neenah.wi.us). Being a part of the city's website provides an opportunity to share what services we have to offer seniors not only to local residents, but also to those who may be researching Neenah as a place to locate. Let us know what you think.

## Facebook

Don't forget to check out Valley VNA on Facebook and become a "fan". It's a great way to keep up-to-date with what's going on at Valley VNA.

## Pet Visitors

While we enjoy having you bring your dogs to visit, for the safety of everyone, please be sure to keep all dogs on leashes.
